

Data element	Response					
Fresh tissue received	No	Yes	<i>If yes, describe any additional tests/ frozen sections/biobanking performed</i>			
Specimen labelled as	Text		<i>As stated by the clinician</i>			
Operative procedure	Not specified		Nephroureterectomy	Ureterectomy, partial	Ureterectomy, complete	
	Ureterectomy, with cystectomy		Ureterectomy, with cystoprostatectomy		Other, <i>specify</i>	
Additional specimen(s) submitted	Text		Not submitted			
Specimen integrity	Intact		Morcellated, <i>record number of tissue pieces received.</i>			
Specimen measurements	Superior to inferior x transverse x anterior to posterior, length __x width __x thickness __mm					
Specimen weight	__g					
Measurements of other organs						
Ureter length	Left __mm		Right __			
Other organs, for each	Site _____ length x width x thickness __ x __ x __mm					
Tumour focality	Cannot be assessed, <i>specify</i>		Unifocal	Multifocal		
Number of tumours						
<i>For each tumour: (if >1 designate accordingly)</i>						
Macroscopic tumour site	Indeterminate	No macros. visible tumour		Ureter	Renal pelvis	Other, <i>specify</i>
Tumour dimensions	Cannot be assessed		No macroscopically visible tumour		__mm	
Additional dimensions (largest tumour)	__x __mm					
Gross appearance of tumour(s) (select all that apply)	Polypoid	Fungating	Papillary	Ulcerated	Solid and indurated	
Macroscopic extent of invasion (select all that apply)	Cannot be assessed		No macros. visible tumour		Non-invasive tumour visible	
Invasion into/involvement of	Wall	Periureteral/peripelvic tissue		Perinephric fat	Other adjacent structures, <i>specify</i>	
Macroscopic evidence of margin involvement	Absent		Present			
Margins involved (select all that apply)	Renal hilar		Perinephric fat		Ureteric	Periureteric
Distance to closest margin	__mm					
Lymph nodes	Not submitted		Submitted	<i>Record site(s), number of nodes and number per cassette.</i>		
Other relevant macroscopic information	Text		<i>E.g. any additional orientation; relationship of tumour to other structures</i>			
Block identification key	Text
